TOWN WARRANT.

[L. S.]

*To the Inhabitants of the Town of Lyndeborough, in the
County of Hillsborough, in said State, qualified to
vote in Town Affairs:*

You are hereby notified to meet at town hall in said Lyndeborough on Tuesday, the ninth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To see if the town will vote to raise and appropriate the amount of money necessary to secure state aid for the permanent improvement of highways under the law passed at the January session, 1905.
3. To see if the town will vote to take from the road agent a section or sections of road to be maintained by patrolman and appropriate money for the same, or act anything thereon.
4. To see how much money the town will vote to raise and appropriate for the repairs of highways and bridges in addition to that required by law.
5. To see how much money the town will vote to raise and appropriate for the J. A. Tarbell library in addition to that required by law.
6. To see if the town will vote to raise and appropriate the sum of fifty dollars to Harvey Holt Post for Memorial Day.
7. To see what sum of money the town will vote to raise and appropriate for the support of street lights at South Lyndeborough, or act anything thereon.

8. To see if the town will vote to instruct the selectmen to have a brick chimney built on the northwest corner of town hall and raise and appropriate money for the same.

9. To see if the town will vote to build a piece of road from the George Cram bank, so called, to a stake and stone near the foot of Tarbell Hill, and raise and appropriate money for same or act anything thereon.

10. To see what sum of money the town will vote to raise to defray town charges for the ensuing year and make appropriation for the same.

11. To see if the town will vote the sum of fifty dollars for cemeteries and raise and appropriate money for the same.

12. To see if the town will vote to instruct the selectmen to borrow money in anticipation of taxes.

Given under our hands and seal this twenty-first day of February, in the year of our Lord nineteen hundred and twenty.

WINFIELD S. HADLEY,
PERCY W. PUTNAM,
IRA R. BROWN,

Selectmen of Lyndeborough.

Secretary.

To the School Board of Lyndeboro:

I herewith submit my first annual report as superintendent of your schools.

In taking charge of your schools, I found them well organized on the eight-grade plan. It was evident that much time and thought had been spent in working out the "Lyndeboro Course of Study," which was being followed in all of the schools. This accounts, I believe, very largely for the thorough work that was being done in nearly all the schools. In a later paragraph I will discuss the changes that will be necessary to meet the needs of the new program as adopted by the State Board of Education.

For the most part I have found your pupils well housed, a progressive plan of schoolhouse repairs and development being evident.

In this time of teacher shortage you were indeed fortunate in being able to retain the services of four of last year's teachers. The new teachers at the beginning of the year were Miss Verna Slack at the Perham Corner School and Miss Ruth Dearth at the Center. Both have had training at the Normal School Summer Session. The loss of Mrs. Adelaide Cole Herrick, who resigned at the Thanksgiving recess, was keenly felt. However, I consider the town very fortunate in securing the services of Miss Eva Whitcomb, a teacher of several years' experience and normal school training.

Following is a table showing the present enrollment by grades in the different schools; also the percentage of attendance thus far for the present year.

	GRADES.								Total.	%
	1	2	3	4	5	6	7	8	Total.	Att.
Miss Verna Slack (Perham).....	1	2	3	2	1	1	10	94.9
Miss Eva Whitcomb (South).....	4	4	2	..	1	5	..	1	17	88.5
Miss Florence Kidder (No.).....	2	..	3	4	..	2	..	1	12	92.6
Miss A. Curtis (J. Cor.).....	2	..	2	2	2	..	8	86.5
Miss R. Dearth (Center).....	1	2	..	2	2	1	2	3	13	94.9
Miss K. McCoy (West).....	..	2	..	2	2	1	3	..	10	87
Total	70	...

The attendance on the whole is very good and counts for a great deal towards high standard schools.

I wish to take this opportunity to discuss as briefly as possible the changes in the program necessary to meet the new requirements; also the possible future development of your school system.

A change in the school system has been made practically a necessity because of the adoption by the State Board of Education of the six-year elementary and the six-year high school; also because schools in the vicinity have been organized on this basis for several years.

The transition period in Lyndeboro will probably be of approximately two years' duration, although, because of the high standard of your schools, the sixth grade in some schools will practically complete this year the work as outlined in the state program. It will be the policy during the interim to attempt to offer enough of the Junior High work to enable pupils to complete the course either in the Wilton or Milford high schools in four years. This is only a makeshift, however, for it is impossible to teach efficiently the Junior High School subjects in rural schools along with the other six grades. Also it is not only a handicap to the pupil to be only half prepared to take up the work in the ninth year of the high school, but also is an administrative burden on the high school which they enter.

There seems to be but two alternatives in the solution of the problem: Either we must send all the seventh and eighth grade pupils out of town for their Junior High School work or establish a consolidated Junior High School

in Lyndeboro and transport the pupils. The expense of the former plan will be yearly tuitions amounting to possibly \$600 or \$700, while the original cost of building and equipping a schoolhouse will be the only expense of the latter. Under the new state law, the expense of the transportation of pupils and salary of an additional teacher would be paid out of the state fund.

This is a problem which calls for thoughtful consideration on the part of all citizens, for not only the interest of the pupils but the future interest of the town are involved.

May I call the attention of the citizens to the School Board report for the purpose of indicating in what manner the new additional bill affects the business of supporting the schools? The law provides, as you know, that any town which raises in support of the elementary schools a \$5 tax on every \$1,000 of the ratable estate is entitled to state aid, and that any deficiencies above the sum thus raised will be made up from the state fund. The estimated amount of money required to run the schools is \$5,690. The estimate of a \$5 tax on the 1920 inventory is \$2,500. Therefore the estimated amount of money to be received from the state is \$3,190.

The State Board of Education has set up minimum requirements for the approval of school buildings. The West School falls below these standards in several respects, and money should be voted to make alterations.

At the present time the shortage of teachers in New Hampshire and the need for a greater increase in salaries is of great importance. Many of our most successful teachers have left the profession during the past two years to accept positions offering a more attractive salary. We need women of superior ability to teach our children, therefore we must offer better salaries in order to induce the better type of girls to attend our normal schools.

Inasmuch as this is the first year of medical inspection of the pupils in Lyndeboro, it may be of interest to the

townspeople to have enumerated the results of the physical examination recently made. Total number of pupils examined, 63. Total number of teachers examined, 5. Number of cases found of diseases as follows: defective teeth, 35; defective vision, 8; unvaccinated, 11; hypertrophied tonsils, 8; anaemia, 2; nervous disease, 1; and cardiac, 1. At the present time card notices are being sent out by the physicians to the parents. Medical inspection is effective only in so far as parents coöperate in the endeavor to remedy such defects as are pointed out to them by the physicians. A report will be made next year showing the number of defects remedied.

In conclusion, I wish to express my appreciation of the friendly spirit of coöperation shown by the School Board, teachers and citizens.

Respectfully submitted,

R. P. CURRIER,
Superintendent of Schools.
